**Listening and Striking**

How to enter:

- Contact Chris Greef on 01454-774479 (or email to [cgreef@btinternet.com](mailto:cgreef@btinternet.com) or letter to 11 West Ridge, Frampton Cotterell, Bristol BS36 2JA)

Notes:

- Steve Coleman, G&B Association ringing master is leading the session. He describes it as
- **“A hands-on, fun and entirely non-confrontational session in which we explore lots of different and entertaining ways to improve our listening and striking skills”.**
- There is no distinction between students and helpers on this training day – everyone can benefit from it, both for themselves and for other ringers back at the home tower.
- As ever, entry is on a first come first served basis, but with no fixed limit. If numbers are too high, we will try to persuade Steve to come again.
